Arkansas Freedom Fund (AFF) Bike Shop Affiliate Agreement

The Arkansas Freedom Fund (AFF) seeks to establish lasting partnerships with Arkansas bike shops to support Wounded Warriors and veterans. As an **AFF Approved Affiliate Bike Shop**, you'll gain valuable advertising exposure while supporting a meaningful cause.

How it Works

Your shop will:

1. Provide repairs and maintenance for AFF-assigned bikes at no charge to veterans. The AFF will cover the cost of parts, and discounted or donated labor is preferred. Labor invoices can be submitted for tax-deductible in-kind donation letters.
2. Apply standard shop rates for non-AFF bikes at your discretion, including discounts for veterans' families if desired.
3. Consider selling bikes to AFF at dealer pricing to support our veterans' cycling needs.
4. Display AFF logos and promotional material, and email rider groups about AFF events.
5. Assist with event planning and provide SAG support where possible.
6. Promote the AFF and its mission when applicable.

Affiliate Benefits

AFF provides:

1. Your shop logo on our website and ride-related promotional materials.
2. Web links to your shop and contact details on our site.
3. Your shop's logo on ride-affiliated t-shirts and jerseys at no cost.
4. Tax-deductible donation letters for parts or services provided.
5. Access to sell Invacare Handcycles through AFF at cost.
6. Advertising opportunities at AFF events such as golf scrambles, fishing, and hunting.

This agreement remains in effect until either party chooses to discontinue the affiliation. Simply notify us, and we will remove your shop from our materials.
